

bridging  *the gap*

 lifefreelndia

company profile

In the last decade, communication has evolved from a wired generation to a wireless one. The Indian cellular industry has been growing at an astounding rate of over 100%.

TollfreeIndia (TFI) is a reputed player operating in an industry characterized by rapid growth and change. At TFI we have identified telecom as our premier initiative, and we have an emphasis on wireless connectivity solutions and broadcasting over cellular and terrestrial platforms.

Our aim is to service this high-tech industry in the most efficient and cost-effective manner by offering support and solutions, thereby paving way for next generation mobile, broadcasting & networking infrastructure.

We provide a vast array of solutions in the RF (Radio Frequency) range. Our solutions provide interfaces for data, telecom, wireless and mixed media applications.

TollfreeIndia provides its customers with various products, services, and solutions through our international business partners, representations and OEM partnerships.

Our product and services cater to a vast area in the communications industry, ranging from GSM / CDMA / WLL to GPRS EDGE, 3G, WiFi, WiMAX and Broadcasting.

The advanced solutions we offer feature enhanced performance, ease of deployment, high reliability and comprehensive system management features.

We pride ourselves in providing and maintaining high standards in product quality, performance and delivery. The services we offer at TollfreeIndia are of international standards and we aim to maximize the operational efficiency for our customers at low operating costs.

our products

GSM, CDMA and 3G Base Station Antenna
2.4GHz, 3.5GHz and 5.1/5.8 GHz Antenna
Accessories for Indoor Coverage Solutions
Repeaters and Tower Mount Amplifiers
RF Feeder Cables and Accessories
Jumper Cable Assembly
Lightning Arrestors
Connectors
Combiners
Couplers
Splitters
Filters

CABLES

● RF Feeder Cables

Standard and Super Flexible Corrugated Foam Dielectric RF Feeder Cables
Shielded / Braided RF Cables
Radiating Leaky Cables

● Optical Fiber Cables

Armored Optical Fiber Cable for Indoor and Outdoor Application
Armored Optical Fiber Cable with Non-Zero Dispersion Shifted Fiber
All Dielectric Direct Buried Optical Fiber Cables
All Dielectric Self Supporting Aerial Optical Fiber Cables
Options of Single Mode and Multi Mode Fiber
Options of ITU-T Rec. G652 or G655 Fiber
Options of Uni-Tube or Multi-Tube Design
Tight Buffered Break-out / Fan-out Optical Fiber Cables
Optical Fiber Composite Overhead Ground Wire - OPGW

● Telecommunication Cables

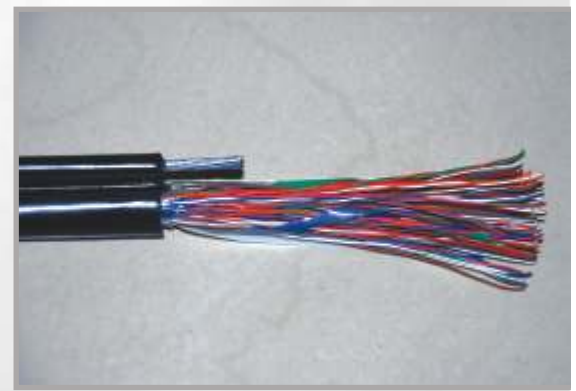

Indoor & Outdoor CAT Series Copper Cables
LAN Category Cables
Digital Twisted Pair Telecommunication Cables
Indoor Broadband Telecommunication Cables
Program Controlled Exchange Telecommunication Cables

● Power Conductors / Cables

Bare Wire High Voltage Transmission Cables
Buried Cables
Overhead Power Conductors & Cables
Low Voltage / High Voltage Single & Multi Core XLPE Insulated Cables
Single & Multi Core XLPE Insulated Armored Cables
Low Voltage / High Voltage Single & Multi Core Aerial Bundled Conductors
Aluminum Conductor Steel Reinforced Power Transmission Conductors

● Other Cables

RG58, RG59, RG6, RG7, RG8 and RG11 for CATV and DTH
Single Core Cable
Flexible Control Cable
Telephone Installation Cable
PCM 120 Ohm Multi-Twisted Cable
Halogen Free Data Cable
Electrical Equipment Cables
Cables for Railway Applications

ACCESSORIES

● RF Accessories

RF Jumper Cable Assembly
RF Connectors / Adaptors / Attenuators / Terminators
Grounding Kits for RF Cables
Surge Arrestor
Weather Proof Closure
Cutting, Stripping and Crimping Tools

● Fiber Optic Accessories:

Fiber Optic Connectors / Adapters / Attenuators
Fiber Optic Patch Cords and Pigtails (Simplex / Duplex / Bunch / Ribbon)
Ceramic Ferrules
Indoor / Outdoor Fiber Optic Patch Panels (Fiber Optic Distribution Frame)
Communication Cable Cabinet
Fiber Optic Splice Cabinet
Fiber Optic Splice Closures (Horizontal / Vertical / Dome)
Fiber Optic Terminal Box
Fiber Optic Distribution Box
Fiber Management Trays
High Power Laser Source
Polarization Maintenance Products

● CATV / DTH Accessories:

Line Amplifier
Multi Switches
Splitter and Tapers
Connectors / Adapters / Terminators
Cutting, Stripping and Crimping Tools

● Other Accessories:

HDPE / UPVC Communication Ducts
HDPE / UPVC Double Walled Corrugated Communication Ducts
HDPE / UPVC Multi Pipe Structure Porous Communication Ducts

INDOOR COVERAGE SOLUTIONS

Products and Accessories

- Low Power Band Selective Indoor Repeaters
- Medium Power Band Selective Indoor Repeaters
- Dual Band Selective Repeaters (GSM900 + DCS1800)
- Broadband Repeaters
- UMTS Repeaters
- Low Power Wideband Indoor Repeaters
- Medium Power Wideband Indoor Repeaters
- OMC Management and Monitoring Software for Repeaters
- IBS Combiners
- Indoor Antenna
- Couplers
- Splitters
- RF Feeder Cables
- Connectors
- Attenuators
- Terminator Dummy Loads
- Customised Solution for Network Coverage

FOR FURTHER INFORMATION:

Web : www.tollfreeindia.com • Email : info@tollfreeindia.com
Phone : +91-22-6633 3332 • Fax : +91-22-2204 3049

ANTENNAS

- CDMA 800 Band Flat Panel Base Station Antenna
- GSM 900 Band Flat Panel Base Station Antenna
- DCS 1800 Band Flat Panel Base Station Antenna
- 3G Base Station Antenna
- 2.4 GHz Wireless LAN Antennas
- 3.5 GHz Antennas
- 5.1/5.8 GHz Antennas
- Repeater Station Antenna
- Indoor Coverage Antenna
- Grid Parabolic Antenna
- Yagi Antenna
- Decorative Antenna
- FWT – Antenna
- Microwave Antenna
- Portable Antenna

FOR FURTHER INFORMATION:

RF CONNECTORS

- 7/16
- N
- TNC
- BNC
- PCB Cable Terminations
- Surface Mount Connectors
- SMC
- SMB
- SMA
- BMA
- SMZ
- L9
- SAA
- MIM
- JX
- Db4
- D4
- C4
- GPO (SMP)
- SSMA
- MCX
- MMCX
- SSMB

 TollfreeIndia

RF PASSIVE COMPONENTS

- Power Splitters
- Directional Couplers
- Hybrid Couplers
- Multi-Port IBS Combiners
- Multi Port BTS Combiners
- Filters
- Duplex Filters
- Surge / Lightning Arrestors
- Attenuators
- Terminator Dummy Loads

FOR FURTHER INFORMATION:

Web : www.tollfreeindia.com • Email : info@tollfreeindia.com
Phone : +91-22-6633 3332 • Fax : +91-22-2204 3049

REPEATERS & TOWER MOUNT AMPLIFIERS

- Low Power Band Selective Indoor Repeaters
- Medium Power Band Selective Indoor Repeaters
- Dual Band Selective Indoor Repeaters (GSM900 +DCS1800)
- Broadband Indoor Repeaters
- UMTS Indoor Repeaters
- Low Power Wideband Indoor Repeaters
- Medium Power Wideband Indoor Repeaters
- OMC Management and Monitoring Software for Repeaters
- Tower Mount Amplifiers in CDMA/GSM/DCS/UMTS Band
- Bi-Directional Amplifier
- High Power Outdoor Repeaters in CDMA/GSM/DCS/UMTS Band
- Fiber Optical Repeaters
- Frequency Shifting Repeaters
- Microwave Repeaters
- Customised Solutions for Network Coverage
